Kajeet Distance Learning Bundles

Kajeet has created a new Distance Learning Program to support our nation's school districts as they implement distance learning initiatives as a result of closures necessitated by COVID-19. The **Kajeet SmartSpot®** is a Wi-Fi hotspot device that includes CIPA-compliant filters to keep students on-task. The new Distance Learning Program expands on our popular Kajeet SmartSpot® offerings by giving schools flexible bundles.

What's Included in the Bundle:

- Free Kajeet SmartSpot® hotspot devices
- Your choice of GBs of data per device, per month pooled across devices
- CIPA-compliant web filters that can be customized by the school
- Enterprise firewall security
- Real-time data rating, usage reports, and customizable bandwidth policies
- Customizable Time-of-Day and Day-of-Week access controls
- Free onboarding training and exceptional customer support
- Expedited shipping available (additional fee)

Short-Term	Medium-Term	Annual
4 months, 8GB of data (2GB per device/month)	6 months, 12GB of data (2GB per device/month)	12 months, 24GB of data (2GB per device/month)
